Scott, below is my contact information for Darell Luther with Tealinc. Darell is and has been ESI's rail consultant for the past three years, his knowledge and experience with rail has been very beneficial to us as he has assisted us with locating railcars, creating scopes for railcar repairs, has reviewed and offered assistance with railyard layouts, track configuration and rail contracts.

I have versed Darell at a high level of your needs to help our client with finding a consultant that can assist them with their project needs.

I highly recommend Darell and Tealinc and a company that be trusted to assist with your project needs.

Feel free to contact Darell at your convenience.....
