Kristen Kempson Promoted to Manager Value Creation – Sales & Marketing Tealinc, Ltd.

Forsyth, MT – Tealinc, Ltd. (“Tealinc”), a railcar operating lessor, rail transportation manager, rail transportation consultant, and railcar broker, is excited to announce that Kristen Kempson has been promoted to Manager Value Creation – Sales & Marketing.

“For almost 2 years now, Kristen Kempson has been a highly valued member of the Tealinc family. Her commitment to the company, exemplary work ethic and hard work show daily. Kristen’s customer service skills shine with every project she completes and truly reflect Tealinc’s Customer First mentality. Within her role of Admin., Marketing and Sales here at Tealinc, Kristen has introduced the Tealinc brand to our prospective clients with creativity and enthusiasm. Additionally, she has engaged with railroads, suppliers and multiple shippers to successfully buy, sell, and lease rolling stock including mill gondolas, open top hoppers, flatcars, covered hoppers and even a locomotive! We look forward to continuing our focused growth by acquiring private rail assets that are complementary to our customers shipping needs. Kristen’s tenacity, perseverance, customer service and big picture thought process are an asset to Tealinc and truly show that she is ready to lead the Tealinc sales and marketing process moving forward. We are fortunate to have Kristen on the team!” explained Julie Mink.

Prior to joining Tealinc, Kristen spent over a decade in the railroad industry as a railcar fleet maintenance manager. She has experience in AAR billing and the shopping of damaged and defective railcars. Kristen holds a Bachelor’s Degree in Business Management from Elmhurst College in Elmhurst, IL. In her spare time, she can be found spending time outdoors with her family.

Kristen Kempson can be reached in our Chicago, IL office at (708) 854-6307 or kristen@tealinc.com.

Tealinc, Ltd. is a railcar operating lessor, rail transportation manager, rail transportation consultant, and railcar broker. Tealinc private rail fleet includes both railcars and locomotives and is specially designed and tailored to best meet Tealinc’s diverse and unique customer base. Tealinc, Ltd. structure is more of a tactical and boutique approach to rail focused on niche industry shippers, receivers and railroads who may be new to rail or unfamiliar with private rail equipment, are looking for personalized customer support or who are looking for direction in rail best practices. Tealinc focuses on assisting customers not only in acquiring and leasing private equipment but also in marketing, selling, leasing and assessing their private rail fleet.
