GONDOLAS

Lease. Buy. Sell. Trade. Manage. Strategize.

With a high cubic foot capacity and flat bottom, these gondolas are ideal for hauling scrap metal, stone, railroad ties, pipes, MOW, coal, coke, baled waste, bagged dirt, etc. This versatile gondola allows for hauling a large volume of lighter weight, less dense products, making it a popular choice for utility companies, mining companies, the aggregates industry, the waste industry, railroads, maintenance of way shippers, and a variety of others.
