GONDOLAS

Lease. Buy. Sell. Trade. Manage. Strategize.

With a high cubic foot capacity, large cube gondola railcars are ideal for carrying scrap metals, baled scrap, baled waste, railroad ties, trash, etc. This versatile gondola allows for hauling a large volume of lighter weight, less dense products, making it a popular choice for scrap industries, waste industries, railroads, maintenance of way shippers, and a variety of others.

Secure Your Railcars Today!
