Shannon Rodgers to Join Tealinc, Ltd.

Forsyth, MT – Tealinc, Ltd. (“Tealinc”), a railcar operating lessor, rail transportation manager, rail transportation consultant, and railcar broker, is excited to announce that Shannon Rodgers will be joining the Tealinc team effective April 8, 2019. Shannon will be based out of Tealinc’s new office in Altoona, PA which will assist Tealinc in better representing east coast customers.

Shannon comes to Tealinc with over 20 years of rail industry experience and will assume the responsibilities and title of Customer Support & Development Specialist. In her new position, Shannon will be responsible to assist in the success of multiple facets of Tealinc including assisting with new business development, marketing and sales and Shannon will be responsible to provide assistance with operations and administrative support.

“We are excited to announce that Shannon Rodgers will be joining the Tealinc team,” commented Julie Mink, President of Tealinc, Ltd. “We are confident that Shannon’s years of experience in the rail industry will be of tremendous value to our customers and we are excited to continuing offering industry leading customer service with Shannon on board.”

Shannon moved to Pennsylvania in 1999 where she started her career in the rail industry with The Everett Railroad Company as an Office Manager/Customer Service Representative and then later became a Freight Agent. Working for a shortline railroad gave Shannon a strong foundation and passion for the rail industry.

In 2015, Shannon joined Watco Companies as a Supply Chain Coordinator providing tracking and tracing services for various types of clients, many times creating customized reports based on clients’ specific needs. This caused Shannon to formulate a system using Microsoft Access database to monitor inbound and outbound railcar shipments and the system allows users to create historical reports based on transit times, delays, shipments based on commodity, contract numbers, etc. At Watco, Shannon also held a position as a Rail Fleet Specialist where she controlled Railinc permissions for car owners, handling lines, running repair agents, and repair shops; handled all DDCT incidents for over 105 different marks, monitored cars through the shopping process to ensure timely processing, created, renewed and monitored UMLER, LOA’s and OT-5 for car owners and handling lines, etc.

Effective April 8, 2019, you can reach Shannon Rodgers via email at Shannon@tealinc.com or via phone in the office at (814) 631-9277 or via cell phone at (814) 935-5995.

Tealinc, Ltd. is a railcar operating lessor, rail transportation manager, rail transportation consultant, and railcar broker. Tealinc private rail fleet includes both railcars and locomotives and is specially designed and tailored to best meet Tealinc’s diverse and unique customer base. Tealinc, Ltd. structure is more of a tactical and boutique approach to rail focused on niche industry shippers, receivers and railroads who may be new to rail or unfamiliar with private rail equipment, are looking for personalized customer support or who are looking for direction in rail best practices. Tealinc focuses on assisting customers not only in acquiring and leasing private equipment but also in marketing, selling, leasing and assessing their private rail fleet.
